INTRODUCTION

When Donald J. Trump launched his campaign for president in 2015, I laughed at the idea. If there's one thing I knew about Americans, it's that they wanted their presidents to be dignified, intelligent, and black. Trump had none of these qualities. Even worse, Trump had tweets!

Years and years of tweets, thousands of them, on everything from why Diet Coke doesn't work to the fact that he is "just not a fan of sharks." Who would vote to give the nuclear codes to a man who had tweet-demanded that Robert Pattinson dump Kristen Stewart?

But as Trump's campaign grew into the movement that would sweep him into the White House, I realized that the opposite was true. Trump's Twitter account didn't disqualify him. It humanized him. Here was a man who didn't filter his statements through focus groups or polling consultants—he said what we were all thinking. Or, at least, what he was all thinking. Like how "The worst show in Las Vegas, in my opinion, is @pennjillette. Hokey garbage. New York show even worse!" It's what Americans needed to hear, and Donald Trump was the only presidential candidate saying it.

We at *The Daily Show* realized that we must honor this archive of presidential thoughts. Thus was born *The Donald J. Trump Presidential Twitter Library*, a curated collection of Trump's most profound and revealing tweets that allowed everyday Americans to literally walk through the President's

mind. After successful openings in New York, Chicago, San Francisco, and Los Angeles, the Library now takes form in this keepsake book, so that you, dear reader, can cherish the experience in the comfort of home.

Please read these tweets in the spirit in which they were composed: with an open heart and with legs straddling the toilet of your choice.

A handwritten signature in black ink, appearing to read 'Trevor Noah', with a stylized, scribbled 'T' and 'N'.

TREVOR NOAH

FOREWORD

Late on the afternoon of Monday, June 30, 1941, Franklin D. Roosevelt spoke at the dedication of his newly constructed presidential library at Hyde Park, New York, the first of its kind in American history. “To bring together the records of the past . . . where they will be preserved for the use of men and women in the future, a Nation must believe in three things,” President Roosevelt told the crowd. “It must believe in the past. It must believe in the future. It must, above all, believe in the capacity of its own people so to learn from the past that they can gain in judgment in creating their own future.”

It wasn't exactly a Twitter-friendly message. But FDR's point, if verbose, was simple: Thanks to his efforts then, our generation today would be wiser than the one that elected him. And who's to say he was wrong?

Given the 2016 presidential election and its aftermath, I am. As a presidential historian, I might have been asked to pen an introduction to the libraries of Roosevelt or Kennedy or one of the Bushes. But instead, my assignment, which I for some reason accepted, is to write 750 words on The Donald J. Trump Presidential Twitter Library. The J. stands for John, and per my lawyer counts as a word.

So Trump may not be FDR, but that is not to say his ever-growing collection of tweets is without historical value. On the contrary. Commanders-in-chief have always been early adopters of the latest means of communication. Lincoln installed a telegraph in the War Department. In 1877, the first White House telephone line enchanted Rutherford Hayes. Calvin Coolidge, notoriously a man of few words, used up a handful of them to reach 23 million radio listeners in his 1925 inaugural, and of course Roosevelt's fireside chats ushered in the now familiar practice of staring dead-eyed at an electronic media device and hoping to feel something, anything. Truman became the first president to deliver a televised address in 1947. Bill Clinton brought the Oval Office into the Digital Age, sending the first presidential email, though it was later mysteriously deleted by an unknown party in his household.

And now the digital ruminations of the 45th president give us that rarest thing: a running record of a president's moods and musings. While Woodrow Wilson once observed that a presidency offers its occupant the opportunity to be as big a man as he wants to be, the Trump canon is a chronicle of just how small a president can be. Trump is not the first president to obsess over his opponents and to rant about the seeming injustice of the world. He's just the first to make the rest of us listen in as he does it.

With that in mind, the closest parallel to President Trump's tweets should give him no comfort, for the precedent is not FDR's millions of cubic feet of records or Lincoln's reams of manuscripts or Jefferson's thousands of letters. It is the covert White House recordings of Richard M. Nixon, who destroyed his own presidency by allowing his darkest machinations to be captured on audiotape.

Trump partisans, of course, demur, arguing that he (or as he might put it, he "alone") understands how Twitter eliminates

the filter of a hostile press, giving the people what they want: All Trump, All the Time.

Perhaps, but that brings us back to FDR, who felt otherwise. “The public psychology and, for that matter, individual psychology cannot, because of human weakness, be attuned for long periods of time to a constant repetition of the highest note in the scale,” Roosevelt wrote in a 1935 letter. “People tire of seeing the same name day after day in the important headlines of the papers, and the same voice night after night over the radio.” A leader’s balancing act, then, was the education and shaping of public opinion without becoming overly familiar or exhausting.

Trump believes the opposite. For him, attention is all. As president, he has raised narcissism to Homeric heights—a difficult thing to do when one recalls that politicians, as a species, consider public notice to be slightly more essential than oxygen. But here we are. He’s not going to stop.

And so our evaluation of the historical significance of Trump’s tweets brings us to this frightful but urgent conclusion: With the very future of the Republic hanging in the balance, it is imperative that 746, 747, 748, the end.

JON MEACHAM

THE DONALD J. TRUMP

PRESIDENTIAL TWITTER LIBRARY

Presidential libraries have long been a cherished destination for school trips when the amusement park is too expensive. *The Daily Show Presents: The Donald J. Trump Presidential Twitter Library* continues this grand tradition with a celebration of President Trump's most important documents: his tweets.

An entire library devoted to one person's tweets may seem "excessive," "unwarranted," or "pretty clearly some kind of publicity stunt." But the way a president chooses to communicate with the public is often what will define his (the "his" streak lives!) legacy. Indeed, when an average American is asked, "What comes to mind when you think of Donald Trump?" the response is likely to be a short burst of pure, unfiltered, inchoate emotion—in other words, something quite similar to a Trump tweet. That's how much Trump's Twitter output has come to shape not only his presidency but the entire era we are now all so fortunate to be surviving.

But becoming the communications genius he is today took a lifetime of being the communications genius he was before today.

BEGINNINGS

Attempts to reconstruct the pre-Twitter life of Donald J. Trump are unavoidably incomplete, as he was not yet finger-banging out his every unedited thought. We do know that Trump was born in Queens, New York, on Flag Day 1946, nine months after the first and, at press time, last wartime use of nuclear weapons. After a hugely successful toddlerhood, young Donald moved on to the best schools, where he showed great promise as a negotiator, claiming, for example, to have once settled a dispute with a music teacher by punching him in the face. High school was at New York Military Academy, where Trump gained the training he would need in Vietnam, if he ever went to Vietnam, which he didn't. Instead Trump studied business at Wharton. That's one of the top places in the country, where only really smart people go.

Then the young man cast out on his own, at first subsisting on only a tiny million-dollar loan from his father. Donald soon launched a career in real estate, becoming the first Trump to do so in almost one generation. It was the 1970s. Few saw value in Manhattan, which at the time was less a city and more a floating porn-and-murder barge. But something about a morally bankrupt, money-obsessed smut-scape spoke to Donald Trump. By the time he was 35, Trump had begun to make a name for himself, plant that name in tabloid gossip columns, and then license that name to people who actually made buildings.

After defeating New York, it was on to Atlantic City, where Trump mastered the local hotel-casino game. Yes, at one point Trump's casinos did hit a bit of a multi-billion-dollar financial rough spot. Yet using only gumption and lawyers, Trump quickly rose all the way from bankruptcy, to another bankruptcy, to two more bankruptcies.

The new millennium found Trump making his first presidential run on a platform promising universal healthcare, cutting the federal deficit, and marrying his supermodel girlfriend. But like a stripper at a bar mitzvah, it was too soon.

Happily, in 2004, Donald discovered the business he was truly meant for: fake business. *The Apprentice* went on to become, by at least one man's account, the most popular series in the history of television.

Donald Trump seemed to have it all. Money. Fame. And no beliefs to slow him down. But he wouldn't be satisfied until he could share his wisdom directly with the American people.

TWITTER

On May 4, 2009, a visionary billionaire logged on to an upstart messaging website, put thumbs to screen, typed a promotional message for his upcoming appearance on David Letterman, and hit send.

Donald J. Trump ✓
@realDonaldTrump

 Following

Be sure to tune in and watch Donald Trump on Late Night with David Letterman as he presents the Top Ten List tonight!

11:54 AM - 4 May 2009

It was Donald J. Trump's first tweet. And though he used the name of the wrong Letterman show, it was a moment that would change America forever.

Trump warmed quickly to his new account, which he named "@realDonaldTrump" to prevent imposters from posting

tweets that might be embarrassing. Twitter was the ideal medium for the future president: fast, no limits, grammar super-optional. With tweets, he could finally express who the @realDonaldTrump was. The world would now know: These were the things this actual person actually believed were worth writing in public.

Donald J. Trump ✓
@realDonaldTrump

Following

The Mar-a-Lago Club has the best meatloaf in America. Tasty. maralagoclub.com/

10:23 AM - 29 Dec 2011

In the ensuing years and tens of thousands of tweets, Trump cultivated a rhetorical style that projected strength strongly, through brute aggression towards everything from celebrities to TV shows to apex predators.

Donald J. Trump ✓
@realDonaldTrump

Following

Sharks are last on my list - other than perhaps the losers and haters of the World!

7:28 AM - 4 Jul 2013

As one can imagine, speaking such truth to power quickly earned Trump many enemies. But the POTUS-in-waiting refused to be silenced by fear or taste. He launched regular tirades against any perceived foe, offering olive branches only on America's most sacred of days.

Donald J. Trump ✓
@realDonaldTrump

Following

“@realDonaldTrump: I would like to extend my best wishes to all, even the haters and losers, on this special date, September 11th.”

8:12 PM - 11 Sep 2013

Besides, @realDonaldTrump was far more than just a professional grudge generator. The account often let a fascinated public glimpse into the president-to-be's private life. We saw, for example, Donald play the part of doting husband with future FLOTUS Melania.

Donald J. Trump ✓
@realDonaldTrump

Following

Turn to QVC now to watch Melania - really good stuff!

5:20 PM - 2 May 2013

Trump's love for his most recent wife sparkled as bright as the high-quality gems she sold on television at such fantastic prices.

Yet with the advantage of some historical distance, we see now that first and foremost, @realDonaldTrump marks Trump irreducibly as a man of his time. For as America's political climate darkened during the Obama presidency, Donald Trump seemed instinctively to set aside his celebrity feuds and fringe conspiracies for serious political discourse.

THE CANDIDATE

Thanks to his tweets, Donald Trump soon established himself as a leader of the “birther” movement, which only grew stronger as President Obama failed time and again to prove

that he was white enough to have been born in the United States.

Trump's leadership on the issue was well-timed. By 2015, conservative voters were furious at Obama and looking for a presidential candidate with the most anti-Obama credentials, no matter how ludicrous. This was Donald Trump's moment. In June 2015, he declared he was running for president.

Trump's candidacy flourished, in no small part thanks to his tweets. Even as his time became more in demand, Donald Trump was digitally relentless, often retweeting those whom society had marginalized, such as white supremacists, neo-Nazis, and other very fine people on both sides.

Trump's appeal to the Forgotten Nazi worked. By early 2016, he had vanquished seventeen Lyin', Low Energy, and Truly Weird competitors on his way to securing the Republican nomination.

Donald J. Trump ✓
@realDonaldTrump

 Following

Truly weird Senator Rand Paul of Kentucky reminds me of a spoiled brat without a properly functioning brain. He was terrible at DEBATE!

8:41 PM - 10 Aug 2015

His evolution from pop-culture polemicist to populist political firebrand was complete.

THE 2016 ELECTION (WON BY TRUMP)

November 8, 2016: a day none of us shall soon forget. Twitter helped Trump cruise to an easy victory over Crooked Hillary Clinton, defeating her in the electoral college and the

popular vote, once the millions of illegal votes were deducted.

@REALPRESIDENTOFTHEUNITEDSTATES

Some questioned whether Trump would continue tweeting postinauguration—once he had assumed the full mantle of responsibilities that come with the world’s most important job. Remember, too, that at that long-ago time, terse, idiosyncratically punctuated online diatribes were not yet considered “presidential.”

Even the president-elect himself felt conflicted, lamenting the very need for tweets:

Donald J. Trump ✓
@realDonaldTrump

 Following

If the press would cover me accurately & honorably, I would have far less reason to “tweet.” Sadly, I don’t know if that will ever happen!

8:00 AM - 5 Dec 2016

Yet once in office, the seventy-year-old Trump would keep tweeting with the vigor of a person sixty years his junior.

THE TRUMP LEGACY

At this writing, midway through his first term, President Donald Trump relies more than ever on Twitter, now his chief tool for demolishing roadblocks, such as the legislature and the press. As the former surrenders to his executive authority and the latter vanishes into the mysteries of social media algorithms, now is as good a time, and possibly nearing the end of time, to publish a book on the tweets that made it all happen.

The Daily Show Presents: The Donald J. Trump Presidential Twitter Library curates a comprehensive selection of tweets, retweets, @-replies, and images pulled from Donald J. Trump's prolific twitterary output of more than 37,000 pieces, exploring the history, art, and science of the 45th president's tweets—from his earliest attempts to put totally normal fingers to phone, to his emergence as our era's preeminent social media revolutionary.

As a matter of historical record, we present all Trump tweets "as tweeted." None have been edited in any way, nor have we corrected spelling or grammar in the many instances where they failed to match our subject's "alternative" standards. What emerges, we believe, is an indelible (not to say "unimpeachable") portrait of America's 45th commander-in-chief—and also, for better or worse, of the society that elected him, in what was one of the biggest electoral college wins of all time. Everyone says so.

Sadly, few Puerto Ricans saw these tweets, because their electrical grid was being lazy

...Such poor leadership ability by the Mayor of San Juan, and others in Puerto Rico, who are not able to get their workers to help. They...

...want everything to be done for them when it should be a community effort. 10,000 Federal workers now on Island doing a fantastic job.

30 Sep 2017

Trump makes clear: Under him, the U.S. will NEVER negotiate with journalists

Time Magazine called to say that I was PROBABLY going to be named "Man (Person) of the Year," like last year, but I would have to agree to an interview and a major photo shoot. I said probably is no good and took a pass. Thanks anyway!

24 Nov 2017

Trump's "most-watched SotU in history" all the more impressive for having been watched by fewer people than SotU's by Obama, Clinton, and Bush

Thank you for all of the nice compliments and reviews on the State of the Union speech. 45.6 million people watched, the highest number in history. @FoxNews beat every other Network, for the first time ever, with 11.7 million people tuning in. Delivered from the heart!

1 Feb 2018

Praising the NRA one day after publicly advocating strict new gun laws highlights POTUS's ability to listen to, strongly agree with, and also do nothing about both sides of an argument

Good (Great) meeting in the Oval Office tonight with the NRA!

1 Mar 2018

Stable genius recognize stable genius

Thank you Kanye, very cool!

25 Apr 2018

KANYE WEST @Kanyewest

You don't have to agree with trump but the mob can't make me not love him. We are both dragon energy. He is my brother. I love everyone. I don't agree with everything anyone does. That's what makes us individuals. And we have the right to independent thought.

★ COMMANDER-IN-TWEET ★

2017: 2594 TWEETS

2018: 2413 TWEETS (PROJECTED)

Trump dislikes social media, according to his 22nd tweet of the week

I use Social Media not because I like to, but because it is the only way to fight a VERY dishonest and unfair “press,” now often referred to as Fake News Media. Phony and non-existent “sources” are being used more often than ever. Many stories & reports a pure fiction!

30 Dec 2017

President issues harshest indictment of Jay-Z since *Lemonade*

Somebody please inform Jay-Z that because of my policies, Black Unemployment has just been reported to be at the LOWEST RATE EVER RECORDED!

28 Jan 2018

First use of Twitter to fire a cabinet secretary, which, like losing virginity, is always best done in public

Mike Pompeo, Director of the CIA, will become our new Secretary of State. He will do a fantastic job! Thank you to Rex Tillerson for his service! Gina Haspel will become the new Director of the CIA, and the first woman so chosen. Congratulations to all!

13 Mar 2018

President celebrates the only fire effectively put out during his administration

Fire at Trump Tower is out. Very confined (well built building). Firemen (and women) did a great job. THANK YOU!

7 Apr 2018

POTUS's wife was sic, but fortunately got better

Great to have our incredible First Lady back home in the White House. Melanie is feeling and doing really well. Thank you for all of your prayers and best wishes!

MASTERWORKS

“BIRTH OF A BIRTER”

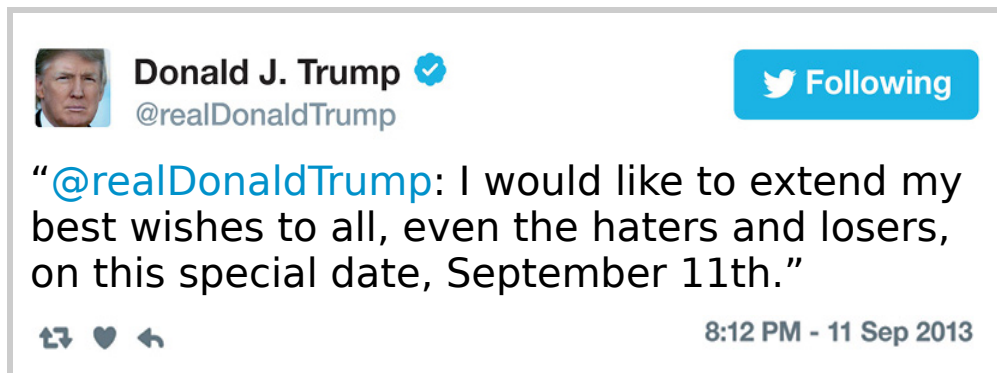

6 AUG 2012 - 4:23 PM

MEDIUM: TWITTER WEB CLIENT

DIMENSIONS: 113 CHARACTERS

Critics may disagree on the greatest of Trump’s tweets, but all cite “Birth of a Birther” as his first unquestionable masterpiece. Taken as a standalone work, one can marvel at the audacity of his creative imagination—the delicacy of the halo of quotations encircling “extremely credible source.” Yet it is as a preface to Trump’s most productive creative period that “Birth of a Birther” finds its true strength—achieving a metaphorical “birthing” of the artist’s identity by questioning the literal birth of another. Contradictory forces thus become complementary, as Trump is clearly inspired by the harmonious interplay of

yin and yang first described in ancient China,
a known currency manipulator.

“9/11 HATERS AND LOSERS”

11 SEP 2013 - 8:12 PM

MEDIUM: TWITTER FOR ANDROID

DIMENSIONS: 131 CHARACTERS

Remembrance. Reverence. Defiance. These traits are on full display in this double-edged salutation that both honors and mocks Trump’s critics on the twelfth anniversary of America’s deadliest terror attack. A product of late Birther Era angst, the original 7:21 A.M. version of this tweet was deleted circa 2015 (Early Campaign Phase); yet this 8:12 P.M. manual self-retweet, which for some reason was not also deleted, allows the work to live on. These faux-naïf modifications only redouble the tweet’s meaning: simultaneously

an admission of impropriety and a bold provocation towards the very “haters and losers” he addresses. Though he continued to work in the “insult-comic statesman” genre on subsequent holidays, no other tweet matches the discursive complexity of this confrontational tour de force.

Happy #CincoDeMayo! The best taco bowls are made in Trump Tower Grill. I love Hispanics!
facebook.com/DonaldTrump/po..

2:57 PM - 5 May 2016

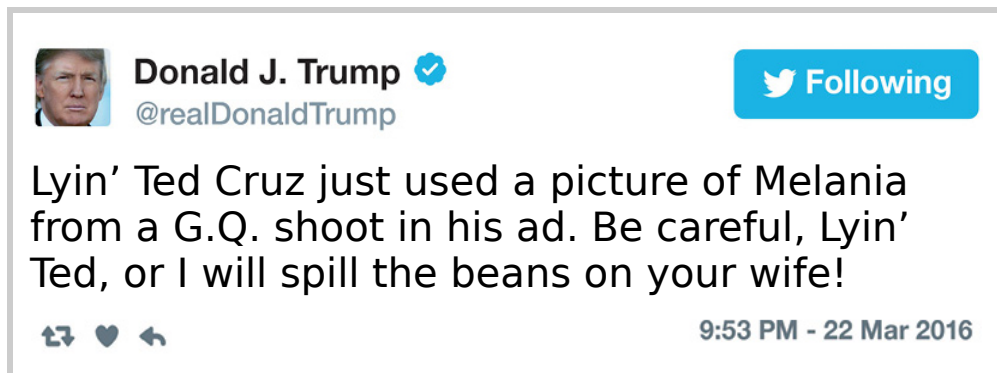

“TACO BOWLS”

5 MAY 2016 - 2:57 PM

MEDIUM: TWITTER FOR IPHONE

DIMENSIONS: 88 CHARACTERS, 1024 X 1365
PHOTO

A decidedly American artist, Trump rarely draws from other creative traditions. Yet here we see him showcasing pride in a Mesoamerican heritage that, for the artist's instant and effortless mastery of the form, may as well be his own. At the same time, the taco bowl's oblique symbolism embodies Trump's trademark patriotism: his is a crisp, crunchy nation, deep-fried and welcoming to all fixin's that yearn to dwell therein, provided they rise to his own Towering standards. Guac is extra.

“LYIN’ TED”

22 MAR 2016 - 9:53 PM

MEDIUM: TWITTER FOR ANDROID

DIMENSIONS: 137 CHARACTERS

In the “Primary Phase” of his Campaign period (early 2016), Trump began to incorporate a number of new characters into his artistic narrative: in this tweet, the tragic clown “Lyin’ Ted Cruz.” Historians dispute whether the actual Cruz was friend or rival to Trump during this period, but what is clear is that he is presented within the diegesis as Trump’s most dogged yet miserable foil, an inverted ego sculpted from living embarrassment. Here Trump surreally imagines pouring beans over the body of Lyin’ Ted’s spouse—a double cuckolding, given Lyin’ Ted’s known love for beans and (one also assumes) his wife.

THE SPECIAL RELATIONSHIP FOX & FRIENDS & FORTY-FIVE

Long before his big, unprecedented electoral college landslide victory, Donald Trump held the blond-lady-sandwich morning news program *Fox & Friends* in high esteem. He was a frequent *Fox & Friends* guest, and no wonder; the show's rigor, objectivity, and fundamental decency exactly matched Trump's own.

Once Mr. Trump became president, what had begun as friendly, pre-breakfast TV banter on racial purity and vaccines' link to autism evolved into his most important daily intelligence briefing. The "Curvy Couch Cabinet" presented its findings with a flair that normal intel reports couldn't match: jaunty music, unquestioning validation, and glimpses of upper thigh when the middle one crossed her legs.

Perhaps *Fox & Friends's* most potent tool was its lower-screen headline banner. These simple, concise phrases helped the world's most powerful man form his thoughts, often by presenting him with those thoughts already fully cooked and ready-to-tweet.

11:25 AM - 17 May 2016

Elements!!! of STYLE POETICS OF A PRESIDENT

“nobody, not even the rain, has such small hands” —
E.E. CUMMINGS

In the right hands, tweets are poems—pure expression, distilled and refined into elegant written word. Best do-er of this: TRUMP.

Like the man himself, Trump’s style has time for neither rules nor decency. His grammar is rebellious. His syntax, beyond rules. His rhythm, cavemanlike. But this primal simplicity is exactly how Trump captivates. It’s chaos. Seemingly pointless exclamation points subdivide parentheticals that sit inside acronyms that don’t even exist. He Capitalizes at random, sometimes for emphasis, Sometimes not. And throughout, the work vibrates with outbursts of emotional intensity: stark despair (“SAD!”), sympathetic joy

("CONGRATS!"), impotent rage ("NO COLLUSION!").

Unorthodox? MAGA. But Trump still does what all great poets do—compel their readers to question. Why did he put quotation marks around the word "me"? How could anyone misspell the word "tap"? What, for the love of all in this world that is holy, is up with this guy? These are the eternal mysteries that only poetry can answer.

Donald J. Trump ✓

THE NASTY ENEMY COMEY
FIRED # MAGA
DEAD PUPPET

11:50 AM - Jun 2017

The Trump Twitter Library's big, beautiful MAGA-netic Poetry Wall of all the best words.

“COVFEFE”

31 MAY 2017 - 12:06 AM (DELETED
APPROXIMATELY 5:45 AM)
MEDIUM: TWITTER FOR IPHONE
DIMENSIONS: 43 CHARACTERS

Here in his single-tweet Minimalist phase, the real subject is not Trump’s wholly original non-word, but rather that which is not seen: the ghostly remainder of the sentence that would have followed. With confident reference to Gilbert Stuart’s “Unfinished Portrait” of President Washington, President Trump compels viewers to a greater level of engagement, demanding that they fill the post-fragment negative space. Seeking guidance along this path not taken, we find ourselves shocked at how familiar we have become with his oeuvre—feeling, as a

community, the unspoken “Sad!,” the silent
boast, the invisible #MAGA.

“NOBODY HAS MORE RESPECT”

15 OCT 2016 - 2:29 PM

MEDIUM: TWITTER FOR ANDROID

DIMENSIONS: 137 CHARACTERS

Beset on all sides by the *Access Hollywood* “Pussy Grab” tape and multiple accusations of sexual assault, Donald Trump is a candidate on the brink, pushed to the very limits of his character count. Forged during the darkest days of Trump’s late Campaign Era, this tweet is a master parry intended to deny, deflect, and riposte—and it succeeds on all counts. As this tweet begins, America’s concern is for his thirteen alleged victims, yet 137 characters later, there is concern for but one victim:

Donald Trump. The true crime being committed is not sexual assault, but rather election theft. And then comes the ultimate denouement—“Nobody has more respect for women than me!”—a statement of climactic hyperbole that stuns the reader into submission. This is an artist who can, linguistically, do whatever he wants. “When you’re a star, they let you do it.” Indeed.

“COMPOSITION IN MEME AND BODYSLAM”

2 JULY 2017 - 9:21 AM

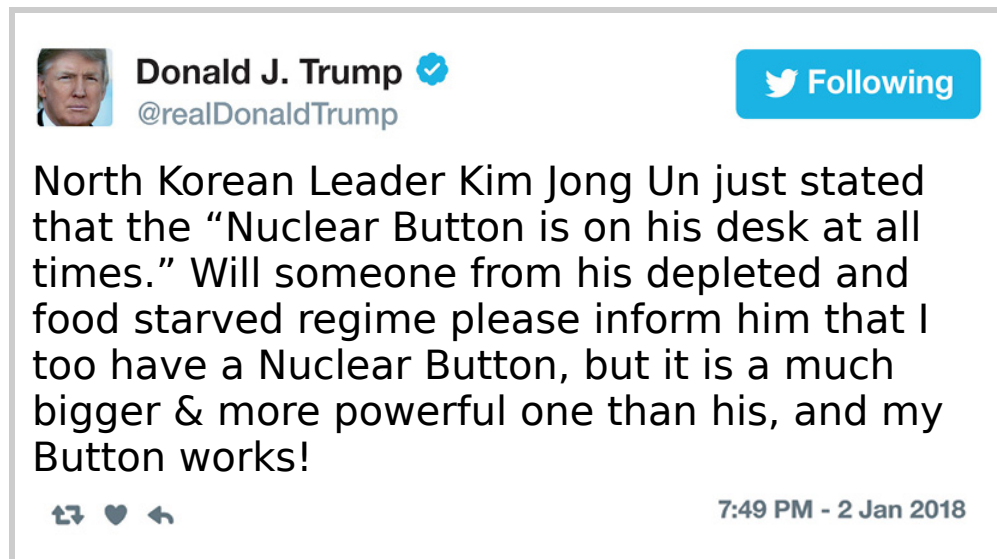

MEDIUM: TWITTER FOR IPHONE

DIMENSIONS: 18 CHARACTERS, 1280 X 720
VIDEO

Behold CNN, trapped eternally in a Sisyphean cycle of brutality and defeat. Trump’s single-most retweeted work melds professional

wrestling imagery and media criticism, translating his verbal assaults on America's press into pure preliterate spectacle: Warrior King Trump annihilating a faceless and pathetic CNN avatar in visceral, visual terms that even a toddler could grasp. Released on July 4th weekend, "Bodyslam" is itself an historic declaration, not just of the President's independence, but of his honor, dignity, and comfort with casual violence.

CURATOR'S NOTE: *Scholars later reattributed this as a "found art" piece, based on the work of Reddit user "HanAssholeSolo," which Trump, in a brilliant act of Duchampian appropriation, copied and pasted.*

“MY BUTTON WORKS”

2 JAN 2018 - 7:49 PM

MEDIUM: TWITTER FOR IPHONE

DIMENSIONS: 280 CHARACTERS

Created near the end of his “President of the United States” period’s first year, “My Button Works” was Trump’s response to a piece by the “bad boy” of North Korea’s Nuclear Realist school, Kim Jong-un. We watch in awe as Trump walks an atomic tightrope like it was a nonchalant stroll down a Tuesday morning fairway, first taunting the nuclear-armed Kim, and then showing his skill for fresh diplomatic

thinking with his subtle use of the magic word “please.”

But there remains the central enigma. Trump seems to speak of a literal “Nuclear Button,” when as he and the rest of everyone knows, there is no such thing, and even if there were, its physical size would have nothing to do with anything. The result is a dreamy phantasmagoria so befuddling that, by tweet’s end, observers can no longer distinguish between madman and truth-teller, between thoughtless belligerence and canny statecraft, or between a global nuclear apocalypse and a giant dong competition.

Donald J. Trump ✓

Following

Now that Russian collusion, after one year of intense study, has proven to be a total hoax on the American public, the Democrats and their lapdogs, the Fake News Mainstream Media, are taking out the old Ronald Reagan playbook and screaming mental stability and intelligence.....

7:19 AM - 6 Jan 2018

Donald J. Trump ✓

@realDonaldTrump

Following

....Actually, throughout my life, my two greatest assets have been mental stability and being, like, really smart. Crooked Hillary Clinton also played these cards very hard and, as everyone knows, went down in flames. I went from VERY successful businessman, to top T.V. Star.....

7:27 AM - 6 Jan 2018

Donald J. Trump ✓

@realDonaldTrump

Following

....to President of the United States (on my first try). I think that would qualify as not smart, but genius....and a very stable genius at that!

7:30 AM - 6 Jan 2018

“VERY STABLE GENIUS”

6 JAN 2018 - 7:19 AM, 7:27 AM, 7:30 AM

MEDIUM: TWITTER FOR IPHONE

DIMENSIONS: 414 CHARACTERS

Among Western art’s proudest traditions is the psychologically probing self-portrait. We think of Van Gogh’s oils speaking deeper emotional truths than words ever could. We think of Rembrandt bearing humble witness to his, and our, tragic mortality. And now we think of Donald Trump, whose stunning Twitter triptych “Very Stable Genius” dared to express *his* truth, even when he had ample reason to think literally no one would believe him. Along with that 1970s hotel-bed bathrobe photo, it is Trump’s bravest work of self-exposure.

The work unfolds across three panels. The first comprises a brisk, classicist “hoax/lapdog/Fake News” dismissal narrative. Then Trump swivels to the cautionary tale of Crooked Hillary Clinton, whose impudent questioning of his, like, really smartness led to her fiery demise. The work now transfigures into almost pointillist autobiography, as powerful mogul metamorphosizes into world leader (on first

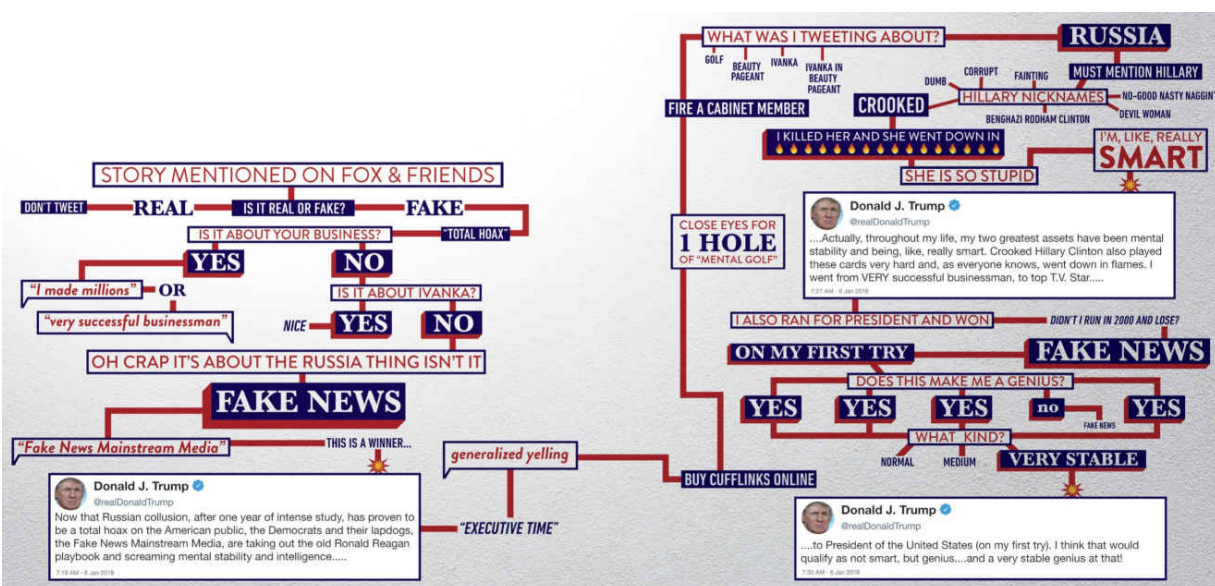

try). But it is Trump's third-panel conclusion that still amazes—a statement of self-identity so bold, so definitive, it has forever redefined the concepts of “stable,” and “genius,” and probably even “very.”

For further insight into the making of “Very Stable Genius,” please turn the page.

MASTERWORK WORKSHOP:

THE MAKING OF “VERY STABLE GENIUS”

Though Secret Service protocols prevent the direct examination of Trump’s brain as he writes a tweet, expert psycholinguists have here recreated the thought process behind one of the president’s most complex compositions. As you will see, what first appears to be an ungainly three-part rant about Russian collusion, media bias, and mental fitness is in actuality the product of 100 billion of the world’s best neurons making thousands of terrific micro-decisions.

HALL OF RETWEETS

"FOR IT IS NOT THOSE WHO COMMEND
THEMSELVES WHO ARE APPROVED, BUT
THOSE WHOM THE LORD COMMENDS."

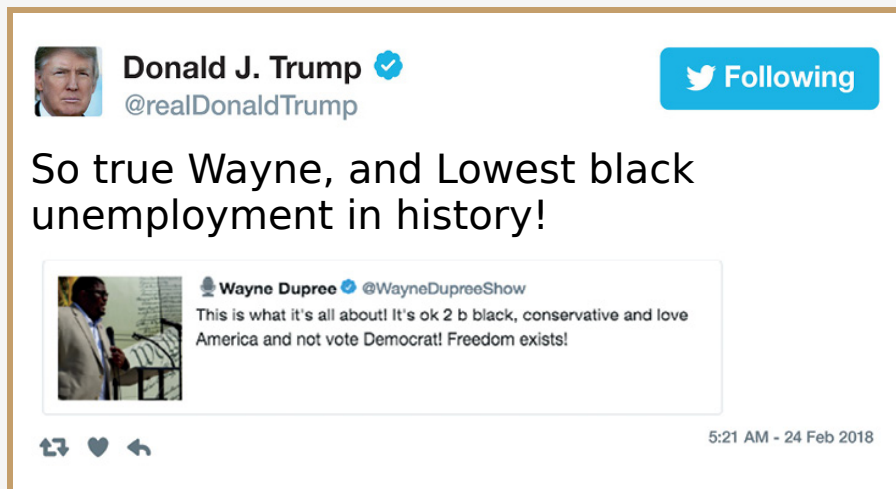

— 2 CORINTHIANS

It is indisputable that history will know Donald Trump mainly for his selflessness. A prime example was his generous use of Twitter's "retweet" function. While his own tweets always garner the most praise, attention, and then more praise, Trump's retweets often raise the voices of those whom society has, for some reason, tried really hard to silence.

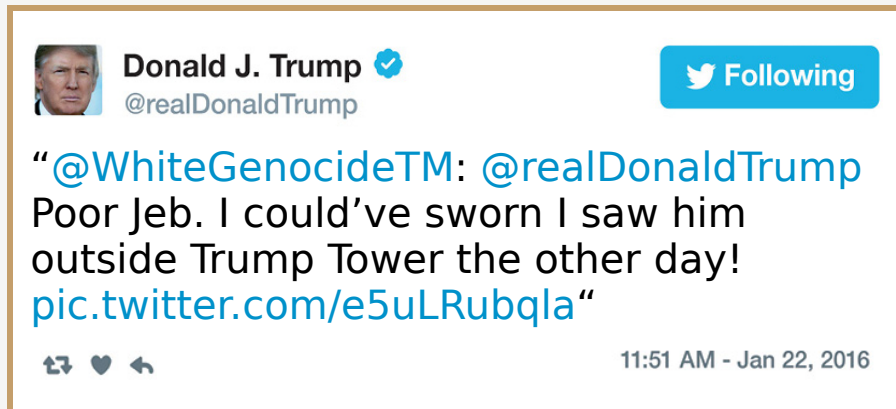

JACK POSOBIEC

After days of absorbing unfair criticism of his claim that a white nationalist rally had “very fine people on both sides,” Trump takes to Twitter to show by retweeting that some folks liked his comments. Was the man Trump retweeted an accused supporter of white nationalists who had promoted the thoroughly debunked, objectively nutbag “Pizzagate” conspiracy theory? Sure, maybe, but the more important point is, the president probably didn’t know this, so what he did was fine.

SANDY HOOK TRUTHER

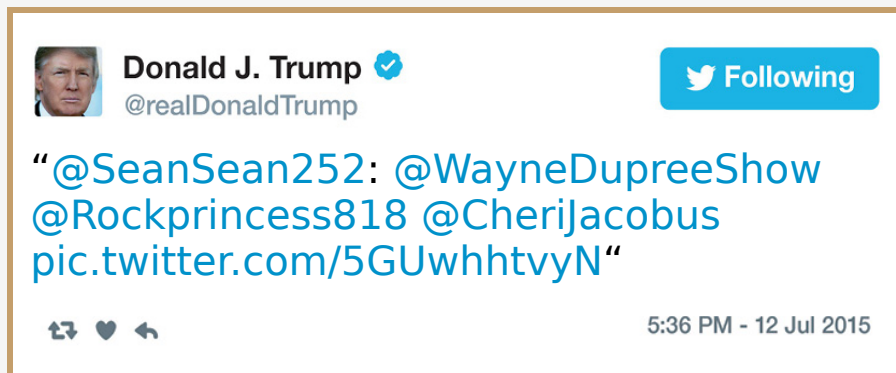

The fact that this Trump retweet's original author had called the Sandy Hook Elementary School shooting a "hoax" has nothing to do with Mr. Trump, and on analysis it is really not a problem.

TRUMP RETWEETS

@WhiteGenocideTM

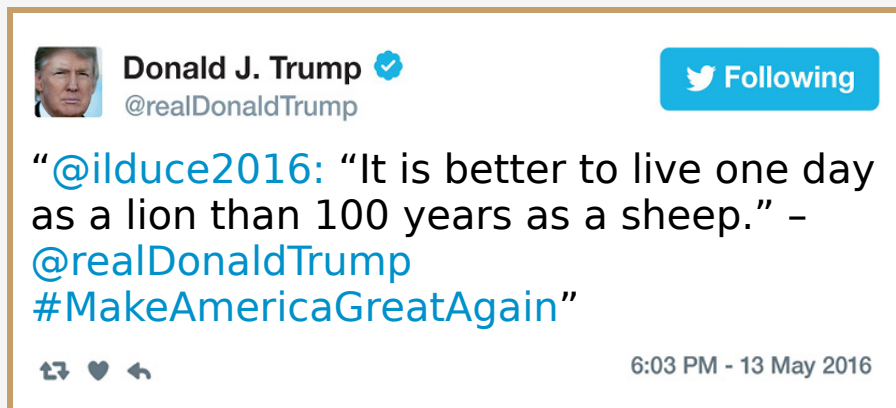

After this retweet, many desperate Trump haters tried to read something into the name of Twitter user @WhiteGenocideTM, but this seems like a stretch. In point of fact, Trump doing this was okay.

FAKE BLACK/WHITE CRIME STATS

Ever the canny politician, Trump retweets a fictional organization's made-up, widely debunked statistics that make his case for interracial fear and animosity better than accurate ones would have. Normal stuff that isn't a big deal.

MUSSOLINI QUOTE

When the fake news tried to shame Trump for retweeting a quote from Italian fascist leader/Hitler pal Benito Mussolini, Trump turned the tables, telling Sleepy Eyes Chuck Todd, "It was a very good quote. An interesting quote." Pressed on whether he wanted to be associated with fascism, Trump replied, "I want to be associated with interesting quotes." Checkmate, MSM. Plus, anyway, it was fine.

RT @TRUMPISM_45
@REALDONALDTRUMP WE WON.
MOVE ON.

As this Twitter user noted, Donald Trump did win. Could Trump have found and retweeted this same point made by someone who hadn't also claimed that Hillary Clinton had committed murder to cover up her other crimes? Why engage in hypotheticals? Besides, doing this was okay.

Since his 2015 Trump Tower escalator ride to destiny, the 45th president has had one main rallying cry: We have to build a wall. A simple promise from an extraordinarily simple man. The wall would be big. It would be strong. And Mexico would pay for it. Possibly “through reimbursement/other.”

Many called the idea preposterous, but President Trump literally did not know the meaning of that word. And the reality is, bit by bit, Donald Trump has built a wall. A wall so big and strong, it is impenetrable to criticism, logic, or reason. It is a Wall of Tweets.

Affleck’s Batman did a great job introducing Wonder Woman, whom everyone loves.

Donald J. Trump ✓
@realDonaldTrump

Following

I predicted Apple's stock fall based on their dumb refusal to give the option of a larger iPhone screen like Samsung. I sold my Apple stock

6:49 AM - 28 Jan 2014

RIGHT!

This was a bold financial decision. By selling his Apple stock in early 2014, just before it more than doubled in value, Donald Trump avoided costly capital gains taxes. Plus, Apple did eventually take Mr. Trump's advice and offer a larger screen like Samsung. So you're welcome.

Donald J. Trump ✓
@realDonaldTrump

Following

Eventually, but at a later date so we can get started early, Mexico will be paying, in some form, for the badly needed border wall.

11:44 AM - 23 Apr 2017

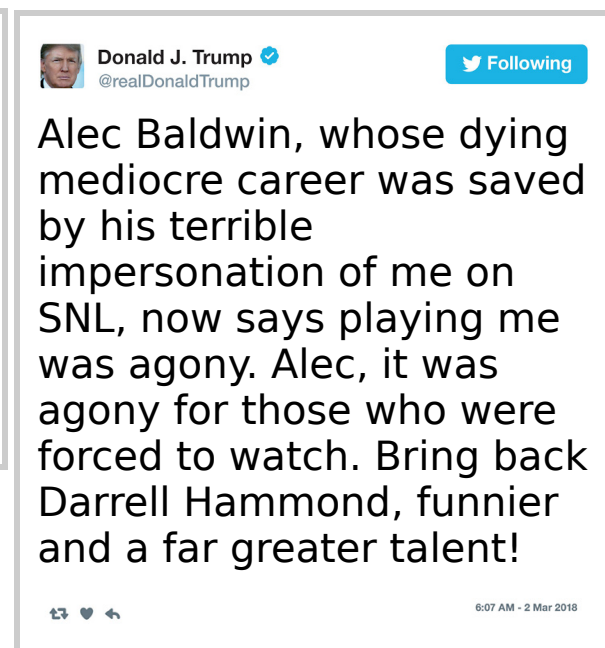

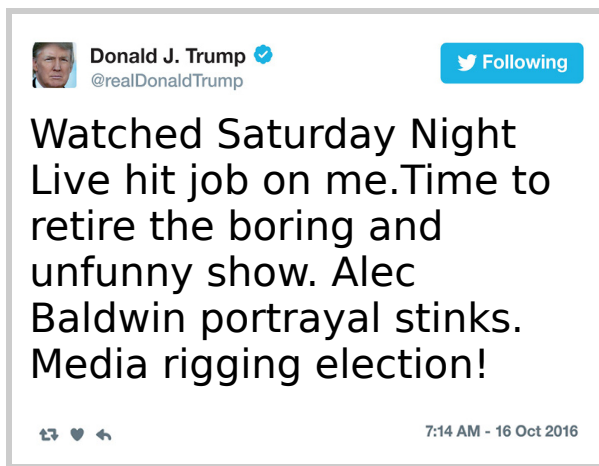

ENOUGH ALREADY.

Of course Mexico will pay for the wall. The president has a comprehensive plan to confiscate all abandoned climbing and digging equipment used by Mexicans after they've gotten past the wall, and then sell those items on eBay to other Mexicans. We're actually billing them twice.

THE JUMP TO 280 DOUBLING THE TREMENDOUSNESS

On November 7, 2017, a year after Trump's presidential victory, which many very bright people say was one of the biggest ever, Twitter made the medium-redefining decision to double its per-tweet character limit from 140 to 280. Among Trump Twitter cognoscenti, the move was as historic as it was divisive.

Below are two Trump tweets on the same topic, and two diverging arguments as to which is the superior. Remember, the debate on "140 v. 280" is like a Trump White House press conference: There are no "right answers" here.

THE “SHORT” ERA

Here we see how Twitter’s original limits actually enhanced Trump’s creativity—particularly when he focused on a deserving target (in this case, NPR leftist and former chest-hair exhibitionist Alec Baldwin). The tighter tweet’s concision says to Baldwin: “Your existence merits neither my full attention nor my terrific energy.” And yet in just 23 remaining characters, Trump still packs in a corrosive three-word democracy-delegitimizing conspiracy theory. If, as the very

THE “LONG” ERA

No contest—only the 280-era Baldwin dispatch truly shows the time, effort, and thought that a sitting U.S. president devoted to harassing a mid-career actor. Where in the shorter format Baldwin merely “stinks,” the more capacious parameters allow for compelling detailed descriptions of how Trump views his adversary: “dying,” “mediocre,” “terrible,” worse than “Darrell Hammond.” And while some feared that longer tweeting might seduce Trump into greater clarity, tweets like this put such concerns to

overrated William Shakespeare said, "Brevity is the soul of wit," then at 140 characters, Trump's soul thrives.

rest. "Agony for those who were forced to watch"? Who conceivably was "forced" to watch *Saturday Night Live*? Even with 37 characters to spare, Trump leaves the answer alluringly unknown.

“PHONE TAPP”

4 MARCH 2017 - 7:02 AM

MEDIUM: TWITTER FOR ANDROID

DIMENSIONS: 135 CHARACTERS

“Phone Tapp” introduces itself to the observer with its titular “error,” the typographic jazz of “tapp.” But just as introductions blossom into deeper conversations, Trump’s true intent soon unfolds like an orchid blossoming from swamp water. Trump frames the sacred and the bad (or sick) as twin ends of the lever, resting upon the playfully self-aware fulcrum of “Nixon/Watergate.” Built upon such a chaotic frame, is the minor typographic defect bad? Sick? Or does the sick, conversely, become sacred?

“DUE PROCESS”

10 FEB 2018 - 10:33 AM

MEDIUM: TWITTER FOR IPHONE

DIMENSIONS: 264 CHARACTERS

Rendered amidst a worldwide movement based on believing women, “Due Process” bravely asks: “What if they’re liars?” Infused with a lyrical, neo-Seussian rhythm, the work is a master class in contrast: True versus false. Old versus new. Due Process versus Trump’s spectral desire to jail Hillary and the Central Park Five. Then, in a summary flourish, Trump ends on a question he has already answered. It’s a tender eulogy to the countless fallen, like former White House Staff Secretary Rob

Porter, whose life was destroyed simply because two ex-wives and an ex-girlfriend accused him of domestic violence, with merely one of them providing photographic evidence.

“WITCH HUNT”

27 FEB 2018 - 7:49 AM

MEDIUM: TWITTER FOR
ANDROID

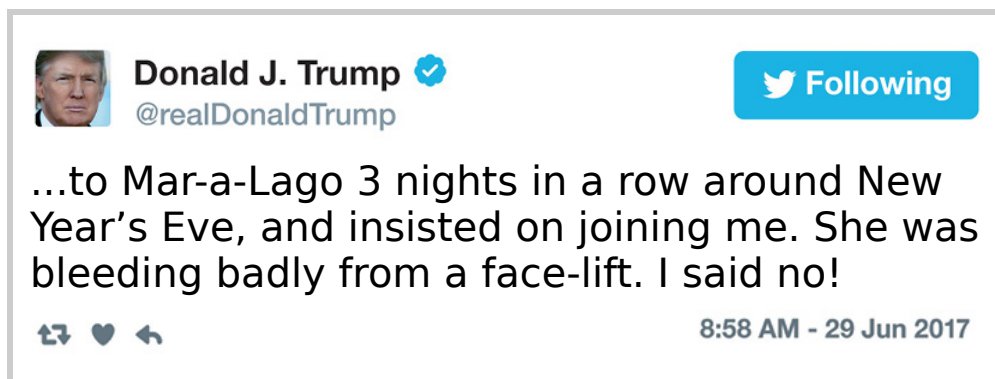

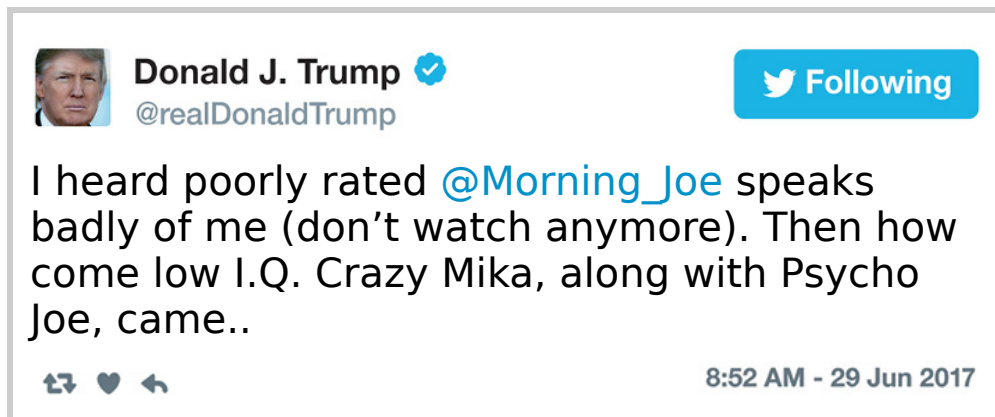

DIMENSIONS: 11 CHARACTERS

Composed just weeks after Twitter raised its limit from 140 to 280 characters, “Witch Hunt” rejected the new format in a terse, forceful 11—both a milestone formal achievement and an act of radical empathy. It is among Trump’s greatest statements.

Here we see Trump’s deep identification with, and compassion for, the oppression that women have suffered throughout history—for he, too, is being rashly victimized. With a mere two words, Trump rewrites Robert Mueller’s failing hoax investigation as the contemptible descendant of Colonial America’s greatest

historical shame, when scores of seventeenth-century women were murdered for practicing witchcraft, despite there being only one real witch at that time: Hillary Clinton. (Look her up.)

The “Witch Hunt” theme is one to which the president would almost compulsively return (cf. March 19’s “Total WITCH HUNT,” April 10’s “TOTAL WITCH HUNT!!!,” April 22’s “Complete Witch Hunt!,” May 23’s “WITCH HUNT!,” etc.) —as though Trump felt that actually, he was possessed, and exorcism could be had only through relentless tweeting.

“BLEEDING BADLY”

29 JUNE 2017 - 8:52 AM, 8:58 AM

MEDIUM: TWITTER FOR IPHONE

DIMENSIONS: 140 CHARACTERS, 137 CHARACTERS

After six months of relative post-inauguration restraint, one can feel the pent-up energy in this mid-2017 pairing, in which Trump returns to his central themes: media bias (rampant), victimhood (his own), and, most important,

female appearance (disgusting). Starting with a bracing shot of paradoxical surrealism (insisting he does not watch the TV show that he is live-tweeting), Trump then transports his audience to New Year's Eve at Mar-a-Lago—an elite institution now democratized for the reader, but never for the thrice-rejected Psycho Joe and Crazy Mika. The latter, of course, is the work's true subject: a figure to be both pitied and feared, her fictitiously “bleeding” face embodying both dishonest media artifice and Trump's lifelong phobia of menstruation and women generally.

WAR AND TWEETS: THE *REAL* RUSSIA INVESTIGATION

From the moment Trump scored his huge electoral victory, which many are saying was the biggest they've ever seen, the so-called Russia "investigation" became the mainstream media's obsession. Its incessant "reporting" pushed Fake News "facts" like "Trump campaign officials pleading guilty" and "dead-

to-rights collusion emails” from Trump’s alleged “son.” So the task of uncovering the truth fell to the president.

The real 2016 election scandal was the Deep State posing as the entire U.S. intelligence community in a devious and desperate effort to frame Trump for colluding with Russia—when there was No Collusion, which isn’t even a crime, and the one who committed it was Hillary.

The trail of corruption was so clear. It led straight from James Comey through Loretta Lynch and Bill Clinton, plus DOJ’s Sally Yates and FBI’s Peter Strzok, on past an acronymia of intel agencies, then circling back to the Democratic Party, John Podesta, his brother, and from there pretty much directly, with a few other details, basically straight to Christopher “phony dossier” Steele. Then, to even more super-illegally prevent Trump from winning, add Spying on his Campaign by Obama’s FBI, which for extra deviousness neither released nor acted on its Spy findings until after Trump had won.

The final puzzle piece would prove to be Robert Mueller, a hardened Democrat so anti-Trump that, just to seem impartial, he had been a registered Republican for fifty years.

COURTER'S LAST STAND

For more than two centuries, the American judicial system stood as the bedrock of democracy. But it would be no match for the Twitter onslaught of Donald Trump. With his brutally effective deployment of unconventional punctuation and “scare quotes,” Trump proved he could easily vanquish “so-called judges” on the field of Twitter, even if the judges happened to sometimes win in so-called “courtrooms.”

Donald J. Trump ✓

@realDonaldTrump

Following

I hope the Mexican judge is more honest than the Mexican businessmen who used the court system to avoid paying me the money they owe me.

5:51 PM - 5 Mar 2015

In the East, it could be the COLDEST New Year's Eve on record. Perhaps we could use a little bit of that good old Global Warming that our Country, but not other countries, was going to pay TRILLIONS OF DOLLARS to protect against. Bundle up!

7:01 PM - 28 Dec 2017

THE BATTLE OF K-PATZ

As a Twitter superpower, Donald Trump sometimes found himself forced to take sides in conflicts he seemingly had nothing to do with. Trump's greatest intervention was in the 2012 battle between actor Robert Pattinson and his Twilight co-star Kristen Stewart. When Pattinson made the risky decision to forgive Stewart for cheating on him, the future President of the United States knew he had no choice but to take up arms, even where a less-

confident leader might have considered the personal lives of two twentysomething screen actors none of his business.

Donald J. Trump ✓
@realDonaldTrump

Following

Robert Pattinson should not take back Kristen Stewart. She cheated on him like a dog & will do it again-- just watch. He can do much better!

After Friday's Twilight release, I hope Robert Pattinson will not be seen in public with Kristen--she will cheat on him again!

1:15 PM - 13 Nov 2012

THE PROBLEM WITH THOSE PEOPLE

Historically, the fields of professional American sports were tended by true patriots: Ruth, Mantle, Stockton, Havlicek, all the hockey guys . . . the list goes on. But in recent years a shadow fell over sports, as a small but vocal (not to say “mouthy”) minority of belligerent, overpaid athletes tried to bring the nation to its knees. Yet these ungrateful sportsters were no match for America’s Twitter Quarterback,

number 45, Donald Trump. No longer would this particular group of degenerate jocks leave their black mark on America.

Donald J. Trump ✓

@Toure Why does a network allow a stupid racist like Toure to stay on the air when his ratings are so abysmal! Can there be only one reason

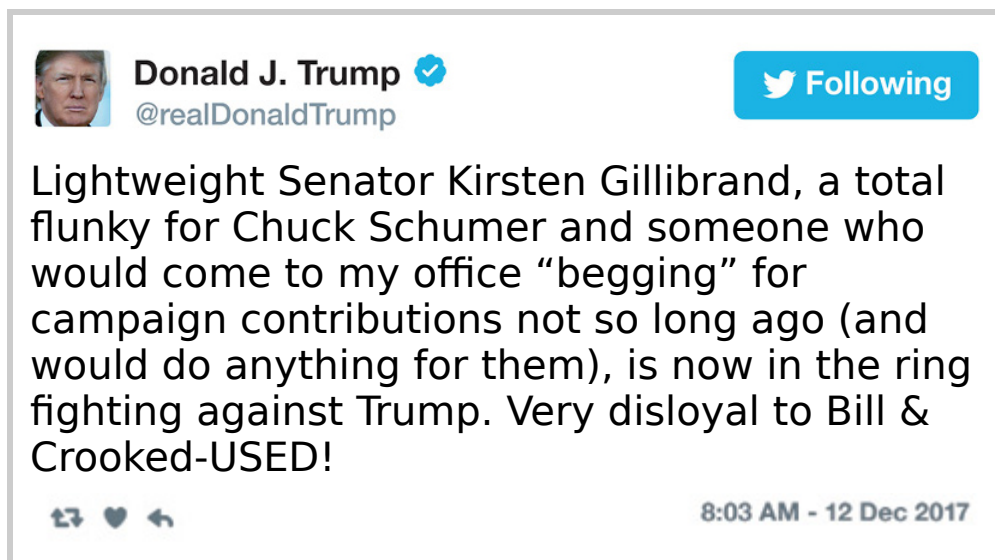

10:10 PM - 9 Sep 2013

On the morning that President Trump decided to tweet at me, I was in bible study and I got a call from my chief of staff, who read me the tweet. It was nothing more than a sexist smear intended to silence me. It was intended to silence over a dozen women who have credible assault and harassment allegations against Donald Trump, and the millions of women who have been protesting and marching ever since he became president. I went back to bible study and my colleagues said, "What was that

about?" I said, "Well, the president just tweeted at me and basically called me a prostitute." Sadly, I'm in company with so many other women, but at the end of the day, the president will not silence any of us.

—SEN. KIRSTEN GILLIBRAND

I don't really have a clear memory of when he attacked me with this tweet in 2012, because at the time he was just a grumpy misogynist and cable news addict who woke up early to spew his hate on Twitter. Now, not much has changed, except that grumpy misogynist spewing hate on Twitter is president. Despite all of his despicable actions, I would never say this country is going to hell. As for Trump himself, well, you'll have to be the judge of that.

—REP. DEBBIE WASSERMAN SCHULTZ

8:23 AM - 12 Feb 2017

I used to think that his tweet about my nipples was one of the weirdest things I'd ever seen, but that pales on the weirdness scale compared to any week of the Trump administration. I was disappointed that he was, in effect, making fun of my weight, which I agree, had gone up, because I am a nervous eater and get fatter under stress. I would have thought that he understood that, because it is clear today, as he gets bigger and bigger because of the stress of his presidency, that he would be sympathetic to that. In fact, it seems to be legitimate to talk about his weight, not just because he's commented so freely on others, but because I am convinced it is an indicator of just how unhappy he is.

—FORMER REP. BARNEY FRANK

No, Donald Trump, this is not racism at its highest level. Slavery is racism at its highest level. The Holocaust is racism at its highest level. This is just the name of a television show. And that show, *Whiteish*, is called *Friends*—you know that show has already been made.

—KENYA BARRIS

Donald J. Trump 
@realDonaldTrump

 Following

How is ABC Television allowed to have a show entitled “Blackish”? Can you imagine the furor of a show, “Whiteish”? Racism at highest level?

8:41 AM - 1 Oct 2014

When I reflect on this moment, my biggest regret is that he didn't give me a fun nickname. His tweet was just "Kathy Griffin." No "Unfunny Kathy" or "Ginger Kathy" or "Disgusting Kathy" or "Kooky Kathy." Just . . . Kathy. I'm sorry, I just really wanted an extra adjective, you know?

—KATHY GRIFFIN

Donald J. Trump ✓

MELANIA TRUMP: TRYING TO HELP

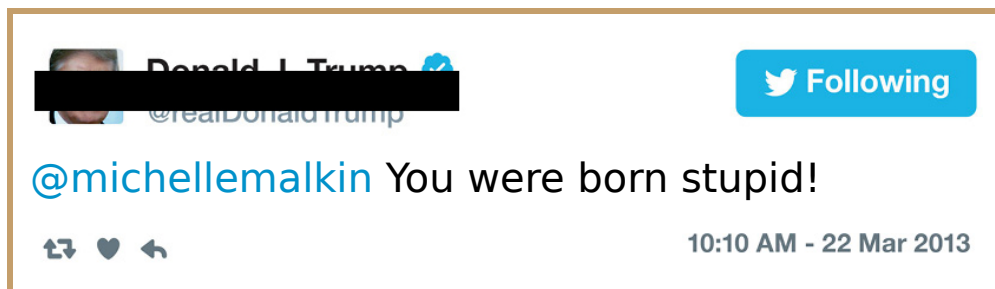

The First Lady plays an important role in any presidency, and this was certainly true in the Trump Twitter Administration. Melania Trump took on a quintessentially twenty-first-century crusade: to end cyberbullying.

The phenomenon is well-known. Friendless losers with pitiable domination fantasies hide behind the safety of the screen to pick fights with people they would never have the courage to take on in real life, using personal

attacks, threats of physical violence, and really dumb nicknames in a vain attempt to soothe their own insatiable insecurities. Sad.

The following is just a sampling of the pandemic vulgarity that Mrs. Trump worked so hard to combat.

NOTE: We have redacted the below perpetrators' identities, in the hope that they will change their ways in the future and not be forever linked to these regrettable tweets.

Following

Crazy Joe Biden is trying to act like a tough guy. Actually, he is weak, both mentally and physically, and yet he threatens me, for the second time, with physical assault. He doesn't know me, but he would go down fast and hard, crying all the way. Don't threaten people Joe!

“ILLEGAL VOTERS”

27 NOV 2016 - 3:30 PM

MEDIUM: TWITTER FOR ANDROID

DIMENSIONS: 140 CHARACTERS

What is reality? That—and nothing less—is the question so urgently posed by “Illegal Voters,” the first undisputed masterpiece of Trump’s controversial “President of the United States” period.

Here, concision masks a deceptively sophisticated structure. Trump first affirms conventional “facts” by citing his universally acknowledged electoral college victory. But already the trickster is tipping his hand: Note the sly subversion of “landslide” from its usual meaning to the exact opposite of that. This syntactic “error” quickly reveals itself as a

rhetorical cliff's edge, off which Trump gleefully dives into an almost psychedelic fantasy world where he also won the popular vote, according to a hypothetical ("if you deduct the millions . . .") based on a known falsehood (about widespread voter fraud).

Tasting freedom as though for the first time, Trump builds his White House castle not just on sand, but imaginary sand. The viewer is left to ponder "Illegal Voters'" destabilizing effect on the world's oldest democracy, nurse a migraine, and perhaps answer emails from the very real Commission on Voter Fraud, whose multi-million-dollar, eight-month, results-less inquiry this tweet necessitated.

“BORN FUCKED UP”

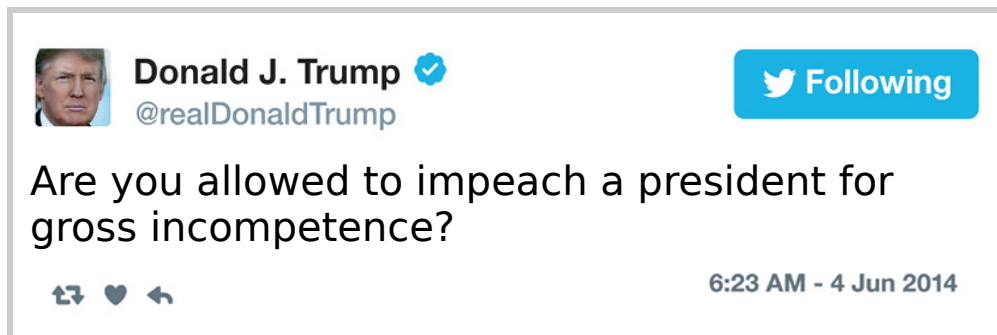

28 SEP 2014 - 8:21 PM

MEDIUM: TWITTER FOR ANDROID

DIMENSIONS: 139 CHARACTERS

Arch, gratuitously profane, and clearly self-aware—okay, actually, this one’s pretty funny. The man didn’t become president for *no* reason. In 2014’s “Born Fucked Up” we come across some of the Trumpiverse’s most familiar characters—the “haters and losers”—to find that the Master of Fifth Avenue has compassionately reimagined what exactly their real problem is. A lesser man would attack such pathetic lowlife flecks of subhuman garbage, but Trump offers the scumbag degenerates only “love and

affection,” because that’s how classy people handle jerks whose souls are bad.

“IMPEACH FOR GROSS INCOMPETENCE”

4 JUN 2014 - 6:23 AM

MEDIUM: TWITTER FOR ANDROID

DIMENSIONS: 62 CHARACTERS

Heralded as one of private citizen Trump’s most provocative works, “Impeach for Gross Incompetence” found initial inspiration in President Barack Obama’s 2014 deal to repatriate a captured American soldier. The tweet’s elevation to Masterwork status, though, stems from how it has stood the test of time. What first appeared to be a tossed-off reaction to a minor news item has turned out to be a question for the ages, its doleful plea echoing ever stronger. “Are you allowed to impeach a president for gross incompetence?”

Well, are you? ARE YOU? The world awaits the answer.

FORGERY ALERT

“NOTHING TO HIDE”

2 DEC 2017 - 12:14 PM

MEDIUM: TWITTER FOR IPHONE

DIMENSIONS: 209 CHARACTERS

“Nothing To Hide” is a forgery, representing the only time, ever, that anyone other than the real Donald Trump has tweeted from the @realDonaldTrump account. We display it at the Trump Presidential Twitter Library as a reminder and a warning: Even the realest news can sometimes be fake.

Understanding this faux-Trump’s origins is complicated, requiring deep knowledge of the

phony Russia hoax that Democrats invented as an excuse for losing the election (which they did, big-time). The tale begins in February 2017, when President Trump says that he has fired General Flynn for lying to Vice President Pence about his (Flynn's) contacts with Russia. "I hope you can let this go," Trump reportedly tells FBI Director James Comey, who is investigating Flynn.

In this December 2017 tweet, however, Trump appears to say something different: that he fired Flynn not just for lying to the vice president—which is not a crime—but also for lying to the FBI—which is a crime. That would mean that Trump knew Flynn had broken the law when he told Comey to "let this go." And that could mean that "Nothing to Hide" would amount to Trump making an out-of-the-blue confession to obstruction of justice. Which would be truly insane.

Fortunately, Trump could not possibly have written the tweet, for one inarguable reason: His lawyer said he didn't.

Shortly after the Fake News obstruction argument emerged, Mr. Trump's personal

attorney John Dowd stepped up to confess the truth. He had secretly taken over the account and written “Nothing to Hide” himself, in a passionate fit of forgetting every lawyer thing he ever knew.

The lesson: When authenticating social media works, we must judge the facts, and not merely how convenient and credulity-straining it seems that a lawyer on the president’s personal payroll would access that president’s Twitter account and tweet out this one thing, but never anything else. Let’s move on.

11 MINUTES

It was only 11 minutes, but that was all it took to shatter a nation. On November 2, 2017, at 6:49 P.M., ET, President Trump's Twitter account vanished.

The day had begun like any other. In our nation's capital, citizens walked briskly across the Mall, their collars pulled up against the cold autumn wind as they gazed into a pale blue sky. We assume it was pale and blue. We couldn't really figure out how to google what the weather was like that day. But the probable seasonally appropriate chill in the air mirrored a greater chill to come. As the news spread around the world, disbelief turned to confusion, then shock, then dinner. By the time @realDonaldTrump was reactivated at 7:00 P.M., a disoriented America had stumbled untethered to its president for the better part of a quarter-hour.

We will never know for sure who or what caused Trump's account to go dark. One

theory holds that a departing Twitter employee shut it down on his last day at work, since multiple sources identified him and he confirmed the story himself. But others suggest that we must look deeper, to man's aeons-old impulse to seek comfort in the shadows of ignorance. In this interpretation, we all are guilty, both in a moral sense and under all applicable state and federal laws.

The lasting tragedy of the Great Deactivation is that we will never know the damage's true extent. What tweetable thoughts crossed Donald Trump's mind? What transformative ideas or hot, fresh insults might have changed the course of world affairs? That wisdom is lost forever, because the sad fact is, during those terrible 11 minutes, Trump could compose no tweets. None. #NoneEleven.

Donald J. Trump 
@realDonaldTrump

YOU TOO CAN BE A PART OF HISTORY

Long after publication of this volume, Donald Trump will keep making Twitter great again. Please paste the best of his later work into the beautiful frames on these pages.

Unlimited additional empty frames are available for free with purchase of more copies of this book.

ON THE COVER

TRUMP CROSSING THE DELAWARE

This iconic American masterpiece, painted in oil by Donald Trump himself, depicts his most loyal advisers following his detailed orders as they row across a river of liberal tears. As in life, Trump has surrounded himself with a diverse staff of loyal white people, each believing that he or she is the grownup keeping the boat from sinking.

Vice President Mike Pence and Chief of Staff John Kelly are shown frantically trying to dislodge ice while the president ignores Kelly and stomps squarely on Pence's testicles. At the bow sits Trump's daughter Ivanka, always nearby so the president can indulge in a long, non-creepy stare. Jeff Sessions, whom the president clearly regrets bringing, is tasked with helping son-in-law Jared Kushner keep the American Flag warm. The foreign policy team—Bolton, Mattis, Pompeo—huddle astern, envious that adviser Stephen Miller somehow gets to hold the rudder. Records are unclear as to how Kellyanne Conway stuck around through so many revisions to the painting, but she's still there and that's worth something. Sarah Huckabee Sanders, meanwhile, has never been happier.

Modern X-ray analysis has revealed that an earlier version of the work showed Vladimir Putin in the water, shirtless and single-handedly tugging the boat wherever he wants it to go, but this was later covered up.

ACKNOWLEDGMENTS

The editors would like to thank everyone at Spiegel & Grau for their enthusiasm, flexibility, and support, especially Evan Camfield, Annie Chagnot, Richard Elman, Matthew Martin, Greg Mollica, Simon Sullivan, and the amazing Julie Grau.

Big-league thanks also to Comedy Central for its help not only with getting this book done, but also with the physical Library itself. Specifically: Steve Albani, Emily Albertson, Kent Alterman, Joe Babbino, Sarah Babineau, Aileen Budow, Matt Conte, Jonah Delso, Nina Di Leo, Yvette Encarnacion, Kathy Fusco, Mike Gelsomino, Tanya Giles, Akash Goyal, Matt Herrlett, Deborah Lake, Eve Kenny, Josh Line, Renata Luczak, Wanda McSwain, Ari Pearce, Steve Raizes, Megan Ring, Lane Savage, Chris Scarlata, Chiara Seward, Shawn Silverman, Michael Stanger, Matt Silvestri, Cynthia Thomas, Andrea Torres, Julie Verardi, Adam Wactlar, and Amanda Wolfe. A special shout-out for the all-nighters pulled by designers Angelina Battista, Paulina Niewinska, Erin Smith, and the tireless Donna Tine.

The IRL exhibit was realized by Pop2Life with the extraordinary vision and talent of Jeff Bardin, Seth Bellaff, Anthony “Dob” Dobrini, Jen Gotti, and Alicia Haberman.

The entire Library project couldn’t have happened without *The Daily Show with Trevor Noah’s* top-flight staff. We’d like to thank Kaitlin Alm, Stacey Angeles, Russ Armstrong, Nick Bailey, Ian Berger, Juan Boria, Eric Bowron, Chris Brown, Max Browning, Kristen Bunk, Vilma Cardenas, Kashana Cauley, Justin Chabot, Ronny Chieng, Mike Choi, Franco Coello, Amir Combs, Lisa Cortez, Eliza Cossio, LaToia Cunningham, Eric Davies, Pam DePace, Sebastian DiNatale, Jimmy Donn, Tom Dowling, Justine Elena, Maia Erickson, Tom Favilla, Christy Fiero, Graham Frazier, Sean Gallagher, GDBA, George Gountas, Jeff Gussow, Hallie Haglund, Sarah Hamblin,

Lorenzo Hansford, Camille Hebert, Scott Hercman, Kira Klang Hopf, Sebastian Ischer, Nik Johnson, Jessie Kanevsky, Jill Katz, David Kibuuka, Jordan Klepper, Michael Kosta, Madeleine Kuhns, Christina Kyriazis, Devin Leary, Tim Lester, Susan Locke-Shapiro, John Lott, Angelo Lozada, Desi Lydic, Allison MacDonald, Christiana Mbakwe, Dennis McMahon, Justin Melkmann, David Paul Meyer, Ryan Middleton, Hasan Minhaj, Jody Morlock, Afeef Nessouli, Chuck O'Neil, RJ Osterhoudt, Mark Paone, Owen Parsons, Christina Pelletiere, Felipe Pena, Paul Pennolino, Ryan Phillips, Matt Polidoro, Lindsay Quella, Tim Quigley, Brittany Radocha, Paul Ranieri, Chris Rose, Phil Salanto, Mike Schmehl, Enid Seymore, Erin Shannon, Dulcé Sloan, Patty Smith, Craig Spinney, Brandon Stefanowitz, Sara Taksler, Glenn Tartaglia, Adriane Truex, Shannon Turgeon, Marilyn Vigilante, Misha Vool, Juliet Werner, Einar Westerlund, Mike Williams, Nate Witmer, Michelle Wolf, Roy Wood Jr., Fiona Wozniak, Rich York, and Rob York.

Thanks also to CAA (Andy Elkin, C. C. Hirsch, Cait Hoyt, David Larabell, Rachel Rusch), UTA (Greg Cavic), Schreck, Rose, Dapello & Adams LLC (Nancy Rose, Carolyn Conrad), and Norm Aladjem, Derek Van Pelt, Sanaz Yamin, and everyone at Mainstay Entertainment.

A special thanks to all our Verified Survivors for bravely recounting their experiences.

We especially h/t Twitter for existing and, on a smaller scale, accommodating our requests.

And of course we'd be utterly remiss, and possibly deported, if we failed to acknowledge the true genius contributions of President Donald J. Trump. ('Sup Dan Scavino yeah we know you're out there.)

Finally, a very special thanks to our tremendous host, Trevor Noah, who back in 2015 was the first at *TDS* to recognize

that DJT was, in fact, going to become our Commander-In-Tweet.
